

MUSEUM OF SCIENCE

The 7th grade will be traveling to the Boston Museum of Science on WEDNESDAY JANUARY 11, 2012 to see the fabulous traveling exhibit, *A DAY IN POMPEII!* While there, we will also be viewing the IMAX film *GREECE: SECRETS OF THE PAST* in addition to the museum's regular exhibit halls. This field trip will enhance students' understanding of their upcoming social studies units on Greece and Rome as well as their study of Greek mythology in L.A. and their studies in science and math.

In order to attend, students must be academically eligible which means that they have completed 80% of their homework in every class. Homework warnings will be issued on Friday, December 16 and students will be given until Thursday December 22 to complete any missing work. In addition, students must be eligible for the trip with regard to their behavior (i.e.: no major incidents). Those students who are not eligible to attend the field trip will report to school regularly on January 11.

We will depart from CCLCS at 7:30am PROMPTLY with one stop at exit 6 around 7:50am and will return at 4:00 so students will not be able to take buses that day. Also, they will need to bring a snack and a bag lunch (no glass bottles, please).

The cost of this trip is \$27 and must be paid to CCLCS by Friday January 6. Scholarships are available to students in need; please indicate below what you are able to pay. Please complete the form below and return it to your child's homeroom teacher as soon as possible! We look forward to this exciting opportunity!
