February, 2025

Dear Community and Business Partner:

Community members from the Cape Cod Lighthouse Charter School are visiting local businesses, shops and restaurants seeking donations for our March 2025 Annual Auction. This has been our premiere fundraising event for the past 29 years, and we hope that you will help!

The Cape Cod Lighthouse Charter School is a public middle school which fosters intellectual development and academic achievement in a safe and supportive atmosphere that celebrates learning as a lifelong pleasure. Students are admitted by lottery, resulting in a diverse population of middle school learners. We enroll 252 students, grades 6-8, from Bourne to Provincetown. Our operating costs, including all upkeep of our facility, come out of our annual budget, which is determined by a formula that fluctuates each year at the State level. Charter Schools rely heavily on community support and your contribution to this effort would be greatly appreciated!

Your contribution is directly helping local Cape Cod students and teachers by enhancing their educational experience. This includes helping to fund improved technology, seminars, recreation equipment, field trips, athletics, enrichment programs, and up-to-date teaching resources & materials. Your efforts would support and enhance the quality of our educational programs and contribute to the sense of community that makes the Lighthouse Charter School so special.

We hope that you will consider donating an item, a service, or a gift certificate that can be included in the silent auction. **A list of items we are looking for is included on the back of this letter.** Typically, more than 200 people attend this event each year, and our hope is that your contribution will also highlight your business in our local community. The greatest benefit, however, is the contribution that you would be making for the education of the children in our care.

We appreciate any support you can give and look forward to your participation. **Your business may also want to consider becoming a sponsor of our event. Sponsorships range from \$200-\$1000 and help keep overhead costs low so that every penny earned has a direct impact on students.** Please email hkast@cclcs.info if you would like more information about the benefits of sponsoring our event.

Our Annual Auction will take place on the evening of Friday, March 21st, at Wequassett Resort and Golf Club in Harwich. Hope to see you there and thank you for your support.

Sincerely,

The Cape Cod Lighthouse Auction Committee
