

## **Immunizations required for entry into CCLCS**

The Flu Vaccine is now required for all Massachusetts School Students

The new vaccine requirement is an important step to reduce flu-related illness and the overall impact of respiratory illness during the COVID pandemic.

Students are expected to have received a flu vaccine by December 31, 2020 for the 2020-2021 influenza season, unless a medical or religious exemption is provided.

The new Flu immunization requirement to enter school in January is in addition to existing vaccine requirements for all those attending school.

All students entering the seventh grade will be required to have the

Tdap vaccine and the MenACWY- meningococcal conjugate vaccine before the beginning of the school year unless a medical or religious exemption is provided.

### **Entering 6th graders must have**

- 3 doses Hepatitis B
