Clubs and Activities

Art Spark will meet after school this Thursday, December 9. Students in the "Endangered Species Clay Tablets" class started the clay work last week and will continue to create these tablets with guest artist Steve Kemp in the Studio. The "Paint A Masterpiece" students started their watercolor landscapes with Mrs. Greenwood and will continue with watercolor landscapes in Mr. Bates' room this week. Student pick-up is at 4:45 p.m., and we appreciate your coming into the building to pick up if it is possible- thanks for your support of this great opportunity for your student to enjoy creative fun with their classmates!

Sports

Boys and Girls Basketball - As of right now we still do not have a gym to practice in. We also do not have a boys basketball coach. I will be opening the sign-ups for 7th and 8th grade by Wednesday, 12/8.

If and when all the stars align, and a gym space falls from the sky, we will begin practice.

Stay tuned. Any questions please email me at kscichilone@cclcs.info

Fall Sports Uniforms - There are a few soccer and field hockey uniforms still outstanding. Please check your child's backpack, under their bed, turn of the car or wherever else lost things hide in your house for a rogue uniform. I would hate to have you pay for a uniform if it is really somewhere in their possession.

7th Grade

Social Studies - Students should continue working on their Holocaust project. The second check in is on Friday and the graphic organizer for the journal entries and scrapbooks should be complete by then. Students are encouraged to complete that and then quickly move on to the writing portion of the project as that will definitely take the most time. Students may email me at any time for help or feedback! The whole project is due on Friday 12/17.
