Notes to Home Week of September 27, 2021

Homework Club: Homework Club for all grades will be held on Mondays from 3:00 to 4:00 p.m. starting today. Students may come every week or stay when needed. Please pick up promptly at 4:00 p.m.

6th Grade Screenings: Reading Comprehension and Fluency screenings are underway for all 6th graders. In addition, WIDA Screeners are conducted for students whose Home Language Surveys indicated a language other than English is spoken in the home. WIDA Screener is an English language proficiency assessment given to new students in grades K–12 to help educators identify whether they are English language learners (ELs).

Thank you! It was so great to see so many sixth and seventh grade families at our Curriculum Nights! Thank you for supporting your student and their teachers. We look forward to seeing our 8th grade family's tomorrow night at 6 p.m.

Food Program - Our breakfast/lunch program will be free to all families again this year. You must preorder meals. Please note we are only opening the calendar this first time to orders for two weeks in advance only. Starting in October we will you will be able to order for a full month. If you have any questions, please contact Diane Titcomb at dtitcomb@cclcs.info. Here is the link to the Lunch/breakfast on our website: <https://www.cclighthouseschool.org/lunch-ordering>

Clubs and Activities

The Workout Wednesdays Club! Starting on Wednesday, Oct. 13th and running thru Wednesday, Nov. 17th, students can join Ms. O'Leary for an hour workout after school (a total of 6 sessions). The Club will meet from 3:15-4:15 p.m. and each week will focus on a different type of workout. Come join Ms. O'Leary on Wednesdays to pump some tunes and break out a sweat! :)

Music

Strings! Thanks for a really good first day last Friday. Unfortunately, I will NOT be in school this Friday, October 1st, but I will be coming in at 7:45 a.m. on Wednesday, September 29th. It would be great if I could meet up with new 6th graders. It will give us a chance to review some of the basics of reading music and to start some of the pieces which we will hope to play this year. See you then! Mrs. Schultze

Choral Program - A reminder to anyone who took music home last week to bring it to rehearsals this week. As we are rebuilding our program, please invite your friends to join us. Thanks, Mr. G.

6th Grade

6 Week-at-a-Glance - Here is this week's 6th grade Week-at-a-Glance...

6th Grade Website - This is the link to our 6th grade website, where the Week-at-a-Glance is posted every Monday. We recommend bookmarking this site. <https://sites.google.com/cclcs.info/grade6/home>

6 Nature's Classroom - The 6th grade is heading to Nature's Classroom this Thursday and Friday. A reminder that Thursday is an extended day and pick up is at Camp Wingate Kirkland at 7pm. Please have kids dress in layers, as temperatures look like they will be cooler than we have been used to, and we will be outside most of the day. They should also bring a water bottle and a NUT FREE snack each day.

6 Math - Please be sure students have headphones for math class this week and next. Inexpensive wired headphones are best. Thank you!

7th Grade

Nature's Classroom - Tomorrow & Wednesday! Seventh graders will be traveling to Nature's Classroom for the next 2 days. Please remember the following:

1. Students need a mask!
2. Students will need to be dropped off at the NC Facility (Yarmouth Port) at 8:30 a.m. Students will also need to be picked up at the same location at 3 p.m.
3. Students will need to pack a lunch. Please remember, we are NUT FREE, and lunches should be made accordingly. An extra water bottle would be wise as well!
4. Students should dress in layers - it will be cooler in the morning but will warm up and kids will be having fun, running around. Also, please don't forget to have your student put on sunblock both days.

We are looking forward to seeing our students have the chance to get to know each other better and come together as a community for some team building and fun! HUZAH!

Another Trip! - Your child received another permission slip for our next field trip. We are heading to the Chatham Orpheum on Monday, October 4th. All students received information about it today in school.

8th Grade

7th Open House - The 8th grade parent open house will take place Tuesday, Sep. 28th at 6 p.m. We look forward to chatting about curriculum, high school placement, 8th grade traditions and more. Please have a mask on in the building.

7 ELA - Mind Map scores will finally go in early this week! Students did a great job!! We are working our way through the Red Pencil, with two assignments due this week. Students should also be getting into a weekly "quill" routine.

Community Notes

CCMNH will hold **Cape Cod's James Webb Space Telescope Community Event** on Saturday, November 13, from 10 a.m. to 3 p.m., featuring a special presentation by a NASA Subject Matter Expert. In addition, there will be over 20 hands-on JWST-related STEAM activities throughout the museum and grounds, including guest presentations by the Cape Cod Astronomical Society and the Harwich Observatory. Museum admission is free for this event.
