

Cape Cod Lighthouse Charter School

195 Route 137, E. Harwich, MA 02645

phone: 774-408-7994

January & February, 2026

Dear Community and Business Partner:

Community members from the Cape Cod Lighthouse Charter School are visiting local businesses seeking donations for our Annual Auction, which will take place on Saturday, March 28th at Wequasset Resort and Golf Club in Harwich.

The Cape Cod Lighthouse Charter School is a public charter school serving 252 students from Bourne to Provincetown. CCLCS is best known for its project-rich learning, community connections and commitment to knowing all students as individuals.

Did you know that charter public schools receive less funding for their school buildings than traditional public schools? Our operating costs, including all upkeep of our facility, come out of our annual budget, which is determined by a formula that fluctuates each year at the State level. **Charter Schools rely heavily on community support and your contribution to this effort would be greatly appreciated!**

Your contribution will directly help local Cape Cod students by helping to fund athletics, building upgrades, enrichment programs, improved technology, seminars, recreation equipment, field trips, and up-to-date teaching resources & materials.

We hope that you will consider donating an item, a service, or a gift certificate that can be included in the silent auction. **A suggested list of items is included on the back of this letter.** Typically, this is a sold out event, and our hope is that your contribution will also

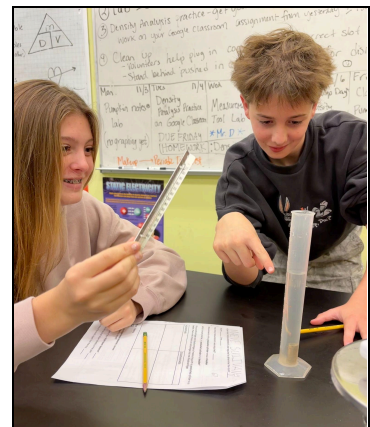

highlight your business in our local community.

Your business may also want to consider becoming a sponsor of our event. Sponsorships range from \$200-\$1000 and help keep overhead costs low so that every penny earned directly impacts students. Please email hkast@cclcs.info if you would like more information about the benefits of sponsoring our event.

Sincerely,

The Cape Cod Lighthouse Auction Committee

CCLCS Educational Foundation Tax ID: 04-3571654
