NOTES TO HOME WEEK OF JANUARY 10, 2022

SE PAC: The CCLCS Special Education Parent Advisory Council invites you to fill out this survey <https://docs.google.com/forms/d/1WUI8qgPorXyvyVO0eTBDliZU8WpFCgbhUcsCLPMSDY4/edit> to provide feedback on meeting topics. The next meeting will be held on Tuesday, January 25 at 6 p.m. via Zoom. The link will be published in Notes to Home the day before the meeting.

Dress Warmly!!! As we enter the depths of a New England winter, we'd like to remind everyone that doors and windows will remain open despite the cold weather. This means that students should layer up and come to school wearing warm clothes. We will also continue to eat and play outside, as well as hold our PE classes outside. Please remind your student that it will be chilly, and they will want to dress accordingly.

Absences! If you know your student will be out, please email us in advance at attendance@cclcs.info. You may also use this email the morning of an absence, or you can call the school at 774-408-7994.

Lunch News - In an effort to ensure all students who need lunches will receive them, you must order breakfast and lunches ahead due to supply and labor shortages from our vendors. If you have any questions or concerns, please email Mr. Sims at crsims@cclcs.info.

Admissions Siblings Applications - REMINDER TO FAMILIES WITH 5TH GRADES SIBLINGS who wish to attend CCLCS next year - you MUST fill out the application form and submit within the SAME DEADLINES and timeline as other applicants. The application deadline for 6th grade is Monday, January 31 at noon.

Info and applications may be found on our website: <https://www.cclighthousechool.org/admissions>.

If you have any questions or concerns, please contact the office.

6 Math Update - ZOOM, ZOOM, ZOOM! Students at home are encouraged to come to class via Zoom! Link and times for each day this week are in the "stream" of our math Google classroom. National Honor Society Math Zoom meets tonight (Monday) and Wednesday evening from 6-7 p.m. Morning math this week will be at 8 a.m. on Wednesday and Thursday.

7th Grade

7 Social Studies - We will continue learning about ancient Egypt this week with a focus on the government and the different kingdoms and dynasties. For those students who are out sick: please check Google Classroom where everything will be posted. I will also directly email anything students need in addition to what is posted on Classroom. Students should try to stay current with homework but if they are not feeling up to completing assignments, that's OK. They (or you) should simply send me a quick email letting me know that they need some extra time. Looking ahead, next week we will be writing an essay in class. This essay should not be worked on at home as we will do everything in class. Stay tuned for more information!

7 Math - Please make sure your child has a spiral notebook for math. Many students have lost theirs or need a new one.

8th Grade

8 ELA - Three big ELA updates. 1) The Benchmark Test Essay is due tomorrow. A letter went home to explain the process via email last week. Students who need to be out of school should be chipping away at this at home. Please remember that students SHOULD BE WORKING ON THIS INDEPENDENTLY!! 2) Independent reading books need to be finished by Tuesday, Jan. 11th. We will be working on the one pager in class on 1/11 & 1/12. 3)

After MLK weekend we will be starting Lord of the Flies by William Golding. I highly encourage students to purchase their own copy of the book on this site:

Cape Cod Tech Tour - On Monday, January 24th the entire 8th grade will be visiting the Cape Cod Tech for tours. We will be there from 9 to 1 p.m. Lunch is provided free of charge by the Tech. Your student should travel to and from school via their normal transportation. Contact Crash Sims (crsims@cclcs.info) if you have any questions.
