*Greetings CCLCS Families,*

*Prior to winter vacation, our long-standing school nurse, Kate Smith, shared with us her intention to step away from her daily responsibilities here at CCLCS in order to spend more time with her wonderful family. Fortunately, one of our nurse substitutes, Danielle Germaine, worked closely with Kate over the course of the fall and was willing and able to transition into the fulltime position upon our return to campus last week. Ms. Germaine will ensure continuity of care for all of the students that met with Nurse Kate regularly, and she has already displayed an acuity and sensitivity to treating all of the nursing related issues that arise in the course of a typical day. She would like me to share the following message from her office: "I'm excited to join the CCLCS community as the new school nurse. Please feel free to reach out to me at [dgermaine@cclcs.info](mailto:dgermaine@cclcs.info) with any questions or concerns. I'm happy to help! I'm so grateful to Nurse Smith for helping in this transition and I extend our thanks for her years of service! I look forward to taking care of your children!" Please join me in welcoming Ms. Germaine to the CCLCS community.*

*Warm regards,  
 Ben*

**Spread the Word!!** Know of a middle-school student who would be a good fit for CCLCS? Word of mouth is the best way we attract new families! We are currently taking applications from interested 5th, 6th or 7th graders who would like to attend CCLCS next year. Deadline: February 23, 2026. Current 5th graders will be applying for spots in our incoming 6th grade class, and current 6th and 7th graders will be applying for a spot on next year's waitlist. More information can be found <https://www.cclighthousechool.org/admissions>

**Charter School Advocacy!** In the coming weeks and months, lawmakers will develop proposals for the Commonwealth's Fiscal Year 2027 budget, determining how to allocate state tax revenue to meet the many needs of Massachusetts residents. Next month, we'll raise our voices to ask our lawmakers to prioritize fair funding for all students. **Massachusetts Charter Public Schools Fair Funding Week 2026 will take place from Monday, February 2nd to Friday, February 6th.**

Did you know that kids attending charter public schools receive less funding for their school buildings than kids attending traditional public schools? As lawmakers get ready to build our state's budget for the next year, we have an opportunity to change that – ensuring all of our kids and our schools are funded fairly!

Fair Funding Week 2026 kicks off on Monday, February 2nd at 6 p.m. with an inspirational virtual rally. The event will feature powerful stories from charter public school families,

alumni, and educators from across the state. Register today to join us!
