195 Route 137, E. Harwich, MA 02645

phone: 774-408-7994

NOTES TO HOME THE WEEK OF JANUARY 18, 2022

SEPAC: The CCLCS Special Education Parent Advisory Council invites you to fill out this survey <https://docs.google.com/forms/d/1WUI8qgPorXyvyVO0eTBDliZU8WpFCgbhUcsCLPMSDY4/edit> to provide feedback on meeting topics. The next meeting will be held on Tuesday, January 25 at 6 p.m. via Zoom. The link will be published in Notes to Home the day before the meeting.

Cell Phone Policy: Guardians! Please contact the office (774-408-7994) with any information that needs to be communicated to your child (as opposed to texting your student directly). Our cell phone policy includes phones being taken away for the day should they be found out of the backpack or pocket. If necessary, students may come to the office and make a phone call on their personal phones with permission. Thank you in advance for your help with this!

CCLCS Merchandise - If you ordered spirit gear from Kaleidoscope Imprints, all orders are ready for pickup. Kaleidoscope is located at 129 Queen Anne Rd, Harwich.

Clubs and Activities

Art Spark will meet after school this Thursday, January 20 from 3:00-4:45 p.m. Students in the "Endangered Species Clay Tablets" will continue to create these tablets with guest artist Steve Kemp in the Studio. The "Paint A Masterpiece" students are working on acrylic paintings this week and should bring a smock! Everyone is enjoying this time to explore their creativity!

Music

Percussion will meet on Friday morning as usual, but Band and Chorus will not meet this week.

Strings! Your schedule for this week: Wednesday at 7:45 to 8:30 a.m. for OM and NM. Friday at 7:45 to 8:30 a.m. is Ensemble for all (please try to be on time). First period sectional is for NM and second period sectional is for BB. See you all very soon! Mrs. Schultze

6th Grade

Week-at-a-Glance:

<https://docs.google.com/document/d/1MvlokKQpOBIAWwSkiqi6G5wTXNlrjQcH0IkBeJdr8PY/edit?usp=sharing>

6 Math Updates - Morning math lab will be this Thursday morning at 8 a.m. Math Zoom with NHS will be Thursday evening 6-7 p.m. The link is in the stream of our Google Classroom. Zoom class times are the same this week as last. :)

7th Grade

This week we will be writing a thesis essay in class which will address the question of whether Egyptian cultural heritage should be repatriated. Ask your student whether they think the Rosetta Stone should remain in England or be returned to Egypt and why! Students should NOT work on the essay at home; it MUST be done in class!

8th Grade

Cape Cod Tech Tour - On Monday, January 24 the entire 8th grade will be visiting the Cape Cod Tech for tours. We will be there from 9am to 1pm. Lunch is provided free of charge by the Tech. Your student should travel to and from school by their normal transportation. Contact Crash Sims (crsims@cclcs.info) if you have any questions.

Calendar

Tuesday, January 18	Admissions Open House, 6 p.m.
Monday, January 24	8th grade visit the Cape Cod Tech for tours
Monday, January 24	Board Trustees meeting, 6 p.m.
Tuesday, January 25	SEPAC Meeting - 6 p.m. via Zoom
Wednesday, February 2	No School for Students

Community Notes:

GenCyber Family Events

Cape Cod Community College will host several space challenges events where interested students (and their parents!) can come to learn more about the GenCyber Space Challenge week-long programs. Each family event will have exciting cybersecurity activities for students and their parents to take part in such as codebreaking, spy parties, internet hoax scavenger hunts, and guest speakers in cybersafety.

There are two events on Saturday, February 12 and Saturday, April 30. The event registration is required. The time frame for events will be 9:30 a.m. to 12:00 p.m. Snacks will be included at each event.

Register for the date of your choosing here! Questions? Contact Bridget Burger, Director, at gencyber@capecod.edu or call 774-330-4459.

Massachusetts Archaeological Society Cape Cod Chapter Talk

“The Archaeology Of The Cape Cod National Seashore” with National Seashore Historian Bill Burke

Wednesday, January 26, 2022

7:00 p.m. at the Cape Cod Museum of Natural History

869 Route 6A | Brewster, MA

Cape Cod National Seashore is not just a mighty and wondrous strand of glacial sand. It holds within its 43,000 acres an astounding collection of Native American habitation sites, shipwrecks, farmsteads, small cemeteries, tourist and industrial sites and military installations. Her archeological resources have been tapped unevenly and sporadically beginning in the 19th Century with more organized investigations beginning in the 1950s.

After the creation of the Seashore in 1961, the National Parks Service began to systematically identify places like the Great Island Tavern site, followed by the ambitious McManamon survey of 1979-84 and the dramatic storm exposed Carns Site of 1990. Most recently, the University of MA Boston took a second look at the famed tavern site, employing new technology and approaches indicative of the need to rapidly document fast-eroding sites as nature continues its reworking of our beloved glacial strand. Join Bill as he discusses this tale of discovery and the challenges ahead of documenting what's left and presenting to the public the most accurate story of life on early Cape Cod.

Bill Burke serves as Historian for the National Seashore. Bill holds a BA in History summa cum laude from Providence College and a MA in Colonial American History and Historical Archeology from The College of William and Mary in Williamsburg, VA. He has worked at several National Parks from MA to VA. Bill lives in Harwich with his wife Stasia and 3 daughters.

\$5 per person or free to Cape Cod Chapter Members
MASKS ARE ENCOURAGED
