## **Immunization and School Health Physical Policy**

This policy has been written in compliance with Massachusetts General Law and for the Safety of our students.

All students entering a new school should have a physical within 1 year of transferring to that school. This means the last physical your student had should be after 9/1/2020 to enter 6th grade September 2022.

All students should have at least one physical within the 3 years of middle school. This means your outgoing 8th grader this coming year would have had to have at least one physical exam between entering 6th grade in 9/2020 and graduating in 6/2023.

Massachusetts General Law and Department of Health require the following Immunizations for school age children. If your student does not have the required immunizations, they may be excluded from school.

### Entering 6th graders must have:

- 3 doses Hepatitis B
- 3 doses of Polio
- 2 doses of Measles, Mumps, and Rubella
- 2 doses of Varicella

### Entering 7th graders must have:
